RE: Hines v. Roc-a-Fella Records Inc. et al
DOCKET NO. 1:20-cv-3535-JPO

Dear Hon. Judge Oetken:

This office is Counsel Ernie Hines d/b/a Colorful Music (“Hines”). Plaintiff seeks leave to file a Corrected Amended Complaint. Plaintiff has received multiple ECF deficiency notices relating to the filing of Plaintiff’s Amended Complaint on June 17, 2019. Due to an ECF error the Amended Complaint was filed twice on June 17, 2019, one without an Exhibit (Docket Entry 30) and the other which contained the Exhibit. (Docket Entry 31). Counsel received a deficiency notice and again attempted to correct the problem at Docket Entry 33 on June 18, 2019. This filing produced another deficiency notice.

Plaintiff seeks leave of the Court to file the Corrected Amended Complaint as there is no other alternative to correct problem.

Sincerely,
Brown & Rosen LLC
